

**Come get Spaced out with us in
Titusville, Florida**

It will be a Blast!

July 30th to August 4th 2024

This will be the **108th Reunion** to gather and reconnect with others sharing the John and Mary Folsom legacy. The best experience is reconnecting with your Folsom ties and history. You may discover a cousin that you are related to through your Great- Grandparent. Enjoy visiting and meeting others with your same heritage. Our traditional Banquet will be held August 3rd at a well-known Florida establishment.

Located east of Orlando, **Titusville** was established in 1867. It provides much history and several Museums. In years past, three of our golf courses have been in the PGA tours. There are still 4 beautiful courses play. Titusville is connected to over 70 miles of the bike Rails to Trails. Fishing! I don't need to say much more. Want to try Skydiving? The Skydiving Space Center located in Titusville offers Tandem Jumps [Home | Skydive Space Center - Skydive Space Center](#) During the 50's, 60's and 70's Titusville was the center of the Space industry. It was the place snowbirds would come to enjoy the winter. There is still much of this remaining in our little town. We have a Village Inn and Moonlight drive-in. Several of the old Motels continue to show off the nostalgic theme of days gone by. There are many things to discover and experience in a short time. During this reunion the **Kennedy Space Center** and Florida Wildlife will be explored. We have several special events planned to make the reunion memorable.
