Ways for us to stay together

We are on Facebook under Folsom Family Youth Association, so add us and get the most recent information of what is happening with the youth and the current and future reunions.

The Folsom House that we visited. The house belonged to William Henry Carman, one of the few St. Croix River Valley lumbermen and land speculators. He arrived in Taylors Falls in 1850.

Here are some on the rooms that we saw while touring the Folsom House

The Genealogy Meeting

Harry Folsom is the person who keeps our Folsom genealogy up-to-date. I would like to thank Harry Folsom for making it possible to know our relations and to know who our ancestors were.
